Dear Madam President, Dear Mr. President,

I write to inform you that UNICEF, in partnership with the European Commission, is organizing a *Conference on Legislative Reform to Achieve Human Rights*. The Conference will take place in New York, at the Millennium UN Plaza Hotel, on 19 November 2008. The IPU is pleased to lend its support to the event.

As the meeting will be held on the eve of IPU's Annual Hearing at the United Nations (20 and 21 November 2008), we would like to encourage the delegation of your Parliament to the Hearing to take advantage of its trip to New York to also attend the UNICEF event. Of course, should you wish to send a parliamentary delegation specifically to the UNICEF meeting, this would be more than welcome by the organizers.

The UNICEF Conference is part of the joint effort of UNICEF and its partners to promote the adoption of legislative and policy frameworks that comply with international standards and serve as a basis for promoting democratic governance and achieving the Millennium Development Goals.

The Conference is planned as a forum for learning, sharing, and building momentum for legislative reform to achieve children's rights and advance the well-being of every child. It is a first step towards bringing together key actors engaged in legislative reform initiatives and initiating discussions on how to formalize these initiatives into a coordinated effort.

The Conference will draw on expertise from members of parliament, representatives of the UN system, practitioners, and civil society representatives to explore good practices, lessons learned, challenges and new ideas in legislative reform. You will find attached the draft agenda and a registration form for the meeting.

I hope that your Parliament will be able to take part in this meeting.

Yours sincerely,

Anders B. Johnsson Secretary General

Legislative Reform for Children's Rights
